SÜRÜCÜ BELGESİ

● **Sürücü Belgesi: B**

ORGANIZASYON BECERILERI

● Organization skills

- Leadership (Leadership of the 30-person team that organized the 15th National Interior Architecture Students meeting, which was held with the participation of 200 students from 35 Universities)
- Writing the bylaw of the Young Interior Architects Student Council, which became operational with an official charter within the TMOBB Chamber of Interior Architects, and the execution of the process until it was approved at the 24th ordinary general assembly one year later.

İLETİŞİM BECERILERI VE SOSYAL BECERILER

● Communication skills and social skills

- Being a student who can be predicted in the example that I organized the National Student Gathering, planned people, people like people, people like earned people.
- They discovered the intricacies of business visits by communicating with corporate visitors (CEO, General Manager, etc.) at the same meeting and sponsor meetings.
- I had experience in organizations related to a team department under the chairmanship of Başkent GSTMF 'Design and Community'.
